

"I just finished listening to Family Legacy's first recording and all I can say is WOW! You owe it to yourself to experience the music and ministry of this fine family group. These folks can stand their ground with our industry's finest while keeping Christ at the center of their presentation.

I have known Eric for more years than either of us will admit to and count him a dear friend. I know his commitment to quality singing and more importantly his commitment to our Lord.

Without reservation, I wholeheartedly recommend to you Family Legacy."

Family Legacy

I Sing the Mighty Power of God
Table of the King
Let My God Work It Out
There's a Miracle For Me
I'm Glad I Know
Hand of God
Should Jesus Come Today
Speak That Wonderful Name
Tempted, Tested, and Tried
Jesus Gave Me A Song
God's Grace is Sufficient
